ヤマザキ コレ

YAMAZAKI KORE

It's like I'm in the darkest heart of the night.

chise?

トキ

that way!

she
looks
like the
winter
goddess.

but
different.

girls
must be
frier

are you
looking for
something?

or someone
perhaps?
your mis-
tress?

glistening
dew and
branches.

ah, I see,
you offered
gifts to my
mother.

then,
a gift
for a
gift.

I lend
to you my
flame.

あし
あし

...is she
talking
about the
mistle-
toe?

chise!

chise...

...so.

what
happened
here?
what is
this?

is this
class?

Mmm.

...Ruth?

It's
me.

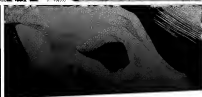

it's
going
to be
alright.
i'm
here.

Thank
you.

i think
he's...
having a
tantrum.

what?

*How did she
speak to me
back then,
when i did
something
wrong?*

All the envy
in the world
won't make
you as happy
as them.

I found
that it
doesn't help
anything
at all to be
jealous of
someone,
or to hate
them.

In the end,
it leaves you
just as sad
as you were
before.

It's peace
you have
to reach
by looking
inside
yourself.

It's not
something
that can be
solved by
fighting with
others.

*But even
as you
say that...*

Do you
understand,
Ellas?

*...you know
that you're
the most
jealous one
of all.*

...What
did you ask
the pelt for,
anyway?

?

...I just
listened
to my own
voice.

Huh?

It looked
like you'd
turned into
a wolf.

Maybe we
could sleep
together
tonight.
It's
gotten
very
late.

...Mmm.

And I'll
tell you all
about them
once we're
in bed.

Stella
taught me
all kinds of
things.

before,
they were
like a father
and his
daughter,

But
really...

but now they
look like a
mother and
her child.

I thought I'd driven all you poachers away...

Guh...

Kuh...

But more of you insist on sprouting up like weeds. Fools.

I don't want the dragons to learn the taste of human flesh...

It's the warden!

So return
to the earth
from whence
you came.

GREETINGS,
SIR WARDEN.

but I'll
take the
spare,
too.

I need
the flesh
of a dra-
gon, is all.

Does it
matter?

Where
are you,
intruder?
Where
are you
speaking
from?
